WILLIMENT SPORTS TRAVEL RECOMMEND

Fangio Grandstand – Main Straight – Start/Finish Line

Located in a prime position on the main straight stretching across the start/finish line. Directly opposite the pit garages and podium, the Fangio will give you the inside view of all the pit changes and pre-race entertainment. Three large superscreens opposite keep you in touch with all the action.

Prost Grandstand – Turn 16

Located on Turn 16, the Prost Grandstand gives you the best of both worlds. From the up close slow cornering of Turns 15 and 16, to the sensational speeds of the FORMULA 1™ cars as they accelerate up the straight.

The superscreen opposite will keep you up with the rest of the action around the track.

Jones Grandstand – Turn 1

Located at Turn 1 (driver's left) at the northern end of the main straight. Positioned at the popular first chicane, it gives you sensational close up viewing of the driving action on Turns 1 and 2. With a superscreen directly opposite you won't miss a single gear change. This stand is the most popular with our clients!

Brabham Grandstand – Turns 1 & 2 – Inside Track

Located between Turns 1 & 2 (driver's right) at the northern end of the main straight. You will be as close as you can get to all the drama and action of Turns 1 & 2 without being in one of the cars. If that's not enough, you can also catch the action on the superscreen directly opposite the stand.

Chicane Skybox Roof – Syndicated Corporate Facility

Located on the main straight on Turns 1 and 2, the Chicane Skybox Roof delivers one of the most awesome views of the Circuit. There is partial superscreen viewing from your seat reserved undercover in the grandstand. Beverages can be served whilst in your seat and all catering is served in the dining marquee located at ground level behind the grandstand. Enjoy four days of catering including morning and afternoon teas, buffet luncheon, tea, coffee and beverages.
