

WILLIMENT TRAVEL HOSPITALITY

Recommended by Greg Murphy, Williment's Hospitality Package is a popular choice for our Bathurst 1000 clients year on year, with superb viewing & villa benefits.

Our Pit Roof Villa is located above the pit garages close to the pedestrian bridge and Start/Finish line. Relax as the villa offers all-weather viewing with outdoor views of the Pit Straight and Conrad Straight while the 2m x 2m TV screen (positioned inside the villa) allows you to view every moment of the big race.
